

## Tina Saitone: New CE Specialist Joins UC Davis ARE

Tina Saitone joined the ARE Department on June 1, 2016 as a Cooperative Extension specialist focused on livestock and rangeland economics. Tina earned her B.A. in economics at Sonoma State University and her M.S. and Ph.D. in agricultural and resource economics at UC Davis. Saitone conducts research on a broad range of topics in agricultural economics including food quality and safety, industrial organization, agricultural marketing, and antitrust. Before returning to UC Davis for this faculty position, Saitone worked for OnPoint Analytics, an economic consulting firm in Emeryville, California,

where she conducted research on a wide variety of agricultural industries including meatpacking, dairy, eggs, broilers, and sugar beets.
